

LET'S GET READY FOR HIGH SCHOOL!

THE HIGH SCHOOL READINESS (HSR) PROGRAM AT INDEPENDENCE MISSION SCHOOLS

At Independence Mission Schools (IMS), we understand how important it is to choose the right high school for your child. We also understand that, while this is an exciting time for your 7th or 8th grader, the high school admissions process can feel overwhelming for families. With this in mind, we are proud to be one of the only K-8 school networks in the region to offer a robust High School Readiness (HSR) program.
